F. UNSECURED CREDITORS

1.	General Unsecured Creditors: Claims in this class are paid from funds available after payment to all other classes.	. The
	payment allowed to the general unsecured claimants will be satisfied by:	

()	Payment of a dividend of 100%.	Plus present value of	_% interest, if necessary to	satisfy the Best I	nterest of
	Creditors Test, OR		•		

- (x) Payment of a pro-rata share of a fixed amount of \$______ set aside for creditors in this class or for the ACP, whichever pays more. This fixed amount shall be reduced by additional administrative expenses including attorney fees. However, this fixed amount shall not be reduced below the liquidation value specified in Provision I.B.
- 2. <u>Special Unsecured Creditors</u>: Claims in this class may include co-signed debts (other than by co-filers), non-sufficient funds (NSF) checks, continuing professional services or non-dischargeable debts (i.e. such as student loans, criminal fines): If the ACP is 36 months, the claims listed below are paid,

Pro-rata during the first 36 months or longer if the plan length extends beyond 36 months in order to pay a specific base amount to the general unsecured creditors.

- (x) 1. The remaining balance shall be paid directly by the debtor(s) after completion of plan, **OR**
- () 2. that portion of the special class creditor that can be paid during the remainder of the plan within 60 months from the date the first Plan payment is due.

3. The following special unsecured claim(s) are an exception pursuant to 11 U.S.C. Section 1322(b)(1) and shall be paid as follows:

IV. GENERAL PROVISIONS

A. <u>DISPOSABLE INCOME, TAX RETURNS & TAX REFUNDS</u> Unless this Plan provides for a dividend of 100% to all timely filed, allowed general unsecured creditors, the Debtor(s) agrees to pay all disposable income as defined in 11 U.S.C. Section 1325(b)(1)(B) and (2) during the Applicable Commitment period (ACP). Unless otherwise provided in this plan, debtors agree to remit to the Chapter 13 Trustee their tax returns and tax refunds and other disposable income for the ACP for administration pursuant to their plan or as otherwise ordered by the Court. Income tax refunds and other disposable income paid to the Trustee in the case of plan with a 36 month ACP will operate to decrease the term of the Plan to the ACP but not below ACP rather than increase the dividend paid to general unsecured creditors. The Debtor(s) agree to continue the same level of tax deductions as when the case was filed except as affected by changes in dependents and/or marital status.

Based on the disposable income available the Trustee shall have the discretion without further notice to creditors to:

- 1. increase the percentage to the unsecured creditors as a result of additional payments made under this provision subject to the limitation set forth in paragraph IV.A above,
- reduce the (length) of the plan but not below the applicable commitment period,
- 3. determine if available funds are not disposable income when the Debtor provides the Trustee with supporting documentation and a stipulation regarding the same.
- **B.** <u>VESTING OF ESTATE PROPERTY</u> Upon confirmation of the Plan, all property of the estate shall remain property of the estate until discharge unless marked below:
 - () Pursuant to 11 USC § 1327(b) upon Confirmation of the Plan, all property of the estate shall vest in the Debtor, except (I) future earnings of the Debtor; (II) additional disposable income, and (III) other property necessary to the Plan (including personal and real property as defined in the Plan and any associated insurance proceeds which may be used by the Debtor,

Case:15-01729-jwb Doc #:4 Filed: 03/25/15 Page 7 of 9

with Court approval, to purchase replacement collateral.) 11 USC § 348(f)(1) remains effective in the event of a conversion to another chapter.

In any case, all property of which Debtor retains possession and control shall be insured by the Debtor(s). The Chapter 13 Trustee will not and is not required to insure assets and has no liability for damage or loss to any property in Debtor's possession and control. xiii

- C. PROHIBITION AGAINST INCURRING POST-PETITION DEBT & DISPOSAL OF PROPERTY During the term of this Plan, the Debtor(s) shall not without Court approval: (1) incur debt in excess of \$2,500.00; (2) dispose of any real property; or (3) dispose of any personal property claimed as exempt with a fair market value greater than \$10,000.
- D. <u>UNSCHEDULED CREDITORS FILING CLAIMS</u> If a creditor's claim is not listed in the schedules, but the creditor files a timely proof of claim, the Trustee is authorized to classify the claim into one of the classes under this Plan and to pay the claim within the class, unless the claim is disallowed.
- **E.** ALLOWANCE OF LATE FILED CLAIMS. Claims by unscheduled or omitted pre-petition creditors, without notice of the bankruptcy filing, may be deemed timely filed.
- F. CLAIMS AND AMENDED CLAIMS. If an allowed late claim, an amended claim, or deficiency claim is filed and Trustee has disbursed to general unsecured creditors such allowed late claim, amended claim, or deficiency claim shall be paid the same dividend as previously paid to general unsecured claims, to the extent possible, even if the base to general unsecured claims exceeds the amount stated in the confirmed Plan. The Chapter 13 Trustee shall not be required to recover any overpayments to general unsecured creditors as a result of the filing of the afore -mentioned claims.
 - (I) With regard to secured claims filed by creditors holding security interests in real property that is surrendered pursuant to this plan, each such secured creditor must file an amended claim asserting its unsecured deficiency claim, if any, on or before the date 90 days after the foreclosure sale. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor shall not be entitled to payment through the Chapter 13 Plan and such secured creditor's claim will be discharged upon entry of a discharge order in this case.
 - (II) With regard to secured claims filed by creditors holding security interests in personal property surrendered in this plan, and executory contract holders or lessors whose contracts or leases are rejected under this plan, each such secured creditor, executory contract holder or lessor must file an amended unsecured claim for its deficiency balance or asserted contractual damages on or before the date 6 months (180 days) after the date of entry of the Confirmation Order. Failure to file the amended claim on a timely basis pursuant to this provision means that such secured creditor, executory contract holder or lessor's claim shall be discharged upon entry of a discharge order in this case.
 - (III) Claimants holding wholly unsecured claims pursuant to Provision III. C. 1. e. shall file their claim on or before the general unsecured claim bar deadline. If they do not file such claim(s) by that deadline, they shall receive no distribution.

G. TRICKETT NOTICE.

- () Check if Debtor(s) is taking the <u>State Entireties Exemptions</u>: Joint claims must be paid in full if taking the state entireties exemptions. Creditors are advised they have until the claim filing bar date as stated in the <u>Notice of Chapter 13 Bankruptcy Case</u>, <u>Meeting of Creditors and Deadlines</u> to file a Proof of Claim in this bankruptcy proceeding. If creditor has a joint claim against the Debtor and spouse, the claim must be clearly marked "JOINT CLAIM". The claims must include documentary support and be filed correctly.
- **H.** TRUSTEE POST-CONFIRMATION DISBURSEMENT: Unless otherwise specifically stated in the Plan, the Chapter 13 Trustee shall disburse the funds as follows:

I. Priority of payments

- 1. Unpaid court filing fees.
- 2. Chapter 13 Trustee administrative fee.
- 3. Monthly payments on any <u>domestic support obligation</u> entitled to priority pursuant to 11 U.S.C. Sec. 507(a)(1) paid through the plan.
- 4. <u>Attorney fees and expenses</u>, as allowed by the Order Confirming the Plan or such additional attorney fees as are awarded pursuant to an Order of the Court, subject to monthly continuing claims payments.

Case:15-01729-jwb Doc #:4 Filed: 03/25/15 Page 8 of 9

5. <u>Continuing claims</u>: Those secured claims on which the last payment is due beyond the length of the plan and paid a set monthly payment (subject to adjustment in paragraph D below) including but not limited to monthly mortgage payments, land contract payments and other long term non-modifiable debts such as executory contracts.

If the post-petition mortgage payment is paid through the Plan, the Trustee is authorized

- A. to modify the on-going mortgage payment upon receiving a notice that has been issued by the mortgagee. The Trustee may receive the notice from either the Debtor or the mortgagee,
- B. increase the Debtor(s) plan payment for any mortgage increase,
- C. amend a wage order for such increase with notice to the employer, Debtor(s) and Debtor's attorney, and
- D. adjust the post-petition mortgage payment date or the date through which arrears is calculated as needed to coincide with any pre petition mortgage or land contract arrearage claim filed by the mortgagee or land contract vendor.
- 6. Other secured claims and executory contract claims on which the last payment will become due within the plan duration and arrearage on continuing claims paid as equal monthly payments.
- 7. <u>Arrearage on continuing claims and other secured claims without equal monthly payments</u> shall be paid on prorata basis.
- 8. Priority Unsecured claims on a pro rata basis.
- General Unsecured claims on a pro rata basis.
- II. Creditor payment initial disbursement date: payment designated as equal monthly payments on secured claims, executory contracts, priority unsecured claims, attorney fees, and tax escrow accruals shall be scheduled to commence the first day of the month following the month of the Petition filing date unless otherwise stated in the Plan.
- I. TAX RETURNS: All tax returns due prior to this case filing have been appropriately filed, except:
- J. <u>DEBTOR ENGAGED IN BUSINESS.</u> If the Debtor is self-employed and incurs trade credit in the production of income upon request by the Trustee, the Debtor will comply with:
 - 1. 11 U.S.C. Section 1304 (b) and(c) regarding operation of the business and duties imposed on the Debtor are incorporated herein by reference, and
 - 2. The Order Regarding Continuation of Business Operations entered in this case.
- K. <u>EFFECT OF ADDITIONAL ATTORNEY FEES BEYOND THE NO LOOK FEE.</u> Additional ordered attorney fees shall be paid as administrative claims and shall not be paid out of the base previously disbursed to general unsecured creditors. The Chapter 13 Trustee shall not recover funds disbursed to general unsecured creditors to fund the attorney fees order.
- L. <u>PLAN REFUNDS.</u> The Trustee may agree to reasonable refunds to the Debtor from the funds paid to the Trustee. The Plan duration may be extended to repay all refunds granted. The Debtor may be required to file a Plan Amendment.
- M. TRUSTEE'S AVOIDANCE POWERS.
